

1st January 2021

This letter hereby confirms that Jamie Skelton, Magician & Mentalist, performs his act with all current Government imposed restrictions, regulations and antiviral practices at the present moment in mind. He complies with these regulations very seriously and has designed his act as such.

Jamie's socially distanced performances require no close up audience participation, i.e he can perform at a social distance from guests. Nor does he require any guests to physically interact with him or each other. No physical props such as pens, playing cards or business cards need to be handled as part of his mentalism act, allowing a completely hands off approach.

Upon arrival at the venue in question, Jamie will immediately self sanitise his hands, props and any other materials belonging to him and will continue to do so every 30 minutes. Upon request he can perform with a face mask and will of course comply with any other venue regulations to the best of his ability.

If any other requirements are asked of Jamie he will happily comply with the best interest of health and safety at heart.

Kind regards,

*Jamie Skelton*
