# About me

A huge thank you for considering me to be a part of your important event! Allow me to introduce myself...

In short, I have been performing magic since I was 7, (I wasted the first 6 years of my life!). After performing my first paid show at the age of 14, I was hooked! I went on to perform hundreds of parties from my late teens into my early twenties and after receiving my University degree, I decided to take the leap and become a full time professional magician.

I then auditioned for the hit show, "Ireland's Got Talent" and became the first magician to receive 4 yeses for the celebrity judges. This then let onto appearances on Xposé, Ireland Am, as well as a feature article in Hotpress Magazine and over 6 million video hits online!

I am now loving life as a professional magician & magic MC! My job is to make your event as relaxed, stress free & fun as possible! So continue on and take a look at some of my work, testimonials & packages!

# My act

My act is a unique blend of visual magic, psychological trickery, mind-blending illusion & comedy. After spending years studying sleight of hand, psychology, mentalism, illusion & mixing that in with a good dose of public speaking, I have developed my own style of performance that is guaranteed to provide laughs, gasps, cheers and even screams at your event!

*Fun, unique & amazing!*

*“People will forget what you did, People will forget what you said, but they will never forget how you made them feel!”*

# Magician & Mindreader

My job is to create memorable moments of wonder at your event! By seamlessly mingling with the crowd, I perform extraordinary feats of magic & mentalism, creating amazing photo opportunities for your photographer/videographer, as well as breaking the ice between guests, creating an atmosphere of excitement AND making your event stand out from the rest! My act is also a superb way to fill any dead time between speeches, other acts or activities!

You can also opt to have me *MC* your event!

# What is a “Magic MC?”

---

As master of ceremonies my job is to look after your guests and keep your event running smoothly.

I introduce the key stages of your event and ensure everyone's in the right place at the right time!

In a contemporary twist to the traditional toastmaster, I also add my special blend of comedy, magic and mind-reading to your proceedings. You can leave it to me to create a relaxed vibe that brings all your guests together and gives everyone plenty of laughs and mind-blowing gasps.

This really will be your most magical, memorable event!!!
